Mohammad Adil Shaikh

Summary

Final-year BSc IT student at GN Khalsa College with a strong Base in Full Stack Development technologies. Passionate about building secure, scalable applications with clean architecture and professional design. Quick learner with solid programming fundamentals and a drive to contribute meaningfully to real-world tech projects. Seeking an Opportunity to increase Knowledge and Skills Base and Contribute to the Organization Efficiently.

Education

Guru Nanak Khalsa College — **August 2023 - Present**
Information Technology (BscIT) — Bachelor's Degree
9.00

NKES College of Arts Science & Commerce — **2021-2023**
Commerce — HSC
72.00%

Projects

Fresh Cart - E-Commerce Web Application — **July 2025 - February 2026**

FreshCart is a full-stack e-commerce web application designed to provide users with a seamless online shopping experience. The platform allows customers to browse products, view detailed information, add items to the cart, and place orders. It is built with a React.js frontend for a modern, responsive user interface and a Node.js + Express backend for efficient server-side operations. Product data is dynamically fetched from a MongoDB database, ensuring scalability and flexibility.

Key Features:

- User-friendly interface with dynamic product listing.
- Shopping cart functionality with real-time updates.
- Order placement and management system.
- Backend APIs for product retrieval and order handling.
- Responsive design for mobile and desktop compatibility.

Tech Stack:

- **Frontend:** React.js, HTML5, CSS3, Tailwind CSS
- **Backend:** Node.js, Express.js
- **Database:** MongoDB
- **Tools & Practices:** REST APIs, Git, VS Code

TechStack - Job Portal Website — **20-8-2025 to 28-9-2025**

Developed A Job - Portal Fully Functionally Website - Where a Applicant can Search their Specific Role and Apply to it And Also Applicant Can Upload their Resume, Check Pending / Approved Status with Login / Signup Needed Facilities

ADO.NET, SECURITY, ASP.NET, Prevent SQL Injection, ASP.NET WebForm, ASP.NET MVC

Volunteering

G.N. Khalsa College — **January 2023- 2024-2025**
Team Leader - (IT Fest) — Mumbai

Professional Strength

Problem & Solving & Debugging

Write Clean Code with Following File Structure

Maintain Clean Code & Documentation

Technical Skills

Programming & Development
C++, Java, Python, OOP, DSA

Web & App Development
Html5, CSS (Taliwind, Bootstrap), JavaScript(ES6+), ASP.NET

DataBases
MySQL, MongoDB

Tools & Platforms

Version Control
Git / GitHub

Code Editors
IntelliJ IDEA, Vs Code, Visual Studio, Notepad, PyCharm
